

## **IBSA JUDO JUDO-GI RULES (APPROVED JUDO-GI AND BACK NUMBERS)**

It is necessary to create standard and mandatory IBSA Judo-gi rules for the qualification process for the Paralympic Games in Tokyo 2020 at any sanctioned event.

### **1. IBSA judo Approved judo-gi**

- All judokas must wear approved judo-gi (See: <https://www.ijf.org/supplier-list>)
- The judo-gi must have the official IJF label 'Approved Judogi' with the correct optical code. Each of the competition clothing articles (jacket, trousers, belt) must have the official label.
- The jacket and the trousers must be of the same brand (belt can be of a different brand). The label will be controlled with an optical lamp. The control is managed during the judo-gi control procedure.
- The measure of the judo-gi is controlled by sokuteki.

### **2. Official back number**

- Each judoka taking part in the sanctioned IBSA Judo events is obliged to have sewn on the back of his/her judo-gi the official back number bearing his/her surname and his/her National Olympic Committee abbreviation.

The backnumber can be ordered from the [www.mybacknumber.com](http://www.mybacknumber.com)  
**(Attention: production and delivery may take up to 4 weeks.)**

### 3. Consequences in case of Non-Compliance

- If a judoka does not display a proper judo-gi (above mentioned) the participating country of the judoka will pay a penalty of 50 euros at the latest 10 days after finishing the competition. If the member association of IBSA cannot pay the fine the results and points of the judoka will be cancelled.
- **Payment holder:**

<b>SWIFT Address</b>	DEUT DE DK 380
<b>IBAN</b>	DE76 3807 0059 0056 5499 00

**Exception:** Judokas of a country **participating for the first time** at a sanctioned event should use the proper judo-gi, but if they do not have an official back number they will be given one from IBSA. However, they will be fined for a non-display of an official back number if it happens again at another competition.
