## COMPETITION RULES

- The competition will be conducted in accordance with the latest IBSA IJR, IJF & IBSA Judo Refereeing Rules, IJF Code of Ethics, and current IBSA Anti-Doping Rules.
- System of competition: double repechage (If needed) round robin.
- The new weigh-in time will be at 18:00 (6 pm) the day before the competition.

## JUDO GI CONTROL

- Athletes must compete wearing an IJF approved judogi supplied by one of the manufacturers. The current list of manufacturers can be seen on the IJF website: <https://www.ijf.org/supplier-list>
- Each competitor is obliged to have sewn on the back of his/her judogi a backnumber bearing his surname and his/her National Paralympic Committee abbreviation. The backnumbers must be fixed horizontally and placed in the center on the back of the judogi.
- They must be placed at a distance of 3cm from the bottom of the collar. The backnumber can only be ordered from [www.ijfbacknumber.com](http://www.ijfbacknumber.com) or [www.mybacknumber.com](http://www.mybacknumber.com).
- The local organizers will inspect the judo-gi size and validity during the judo-gi control. The backnumber and publicity should comply with the current IBSA, IJF, and local organizer agreement.
- J1 fighters use the new backnumber with a red circle, who have previously been involved in eye classification. The place of the mark of red and yellow circle is on the backnumber and not the side of the sleeve of the judo-gi. Both marks can be used till the start of the qualification period of Paris 2024.

## **Random weigh-in**

- Random weight checks for athletes may be organized and are the responsibility of the IBSA and LOC staff. For IBSA and IJF events the random weigh-in will open one hour before the start of the competition each day. According to IBSA Rules, random weigh-in lasts for 15 minutes. The athletes do not need to bring their passports, as their accreditation is sufficient for identification. The weight of the athlete cannot be more than 5 % higher than the official maximum weight limit of the category.

## **Bleeding injuries**

- During a contest a bleeding injury may be treated by the doctor on two (2) occasions. If the same bleeding requires treatment for the third time, the referee should declare the opponent the winner by kiken-gachi. However, the IJF Ad Hoc Commission in consultation with the IJF Medical Commissioner can decide to allow the same bleeding injury to be treated more than two (2) times. If bleeding cannot be stopped, the IJF Medical Commissioner will inform the referee who declares the opponent the winner by kikengachi.

## **Finger/toe dislocation**

- For the preservation of athletes' joint health, especially of those who lack experience in self-treatment, athletes are allowed to seek medical help for finger/toe joint resetting, including resetting and taping to secure the joint.

## **REFEREEING**

### **Level of the Referees:**

- The contests will be refereed by International Referees (IJF A level with IBSA Judo license) selected by the IBSA Judo Referee Commission with the collaboration of the IJF Referee Commission.
- The referees will use the CARE system. The referees are awarded qualification points after the competition.

## **INSCRIPTION OS DELEGATES**

- Competitors can be entered in one weight category and judo entries from IBSA members will be accepted.
- Participating athletes must be 15 years in the calendar year or older.
- Each IBSA Member can inscribe a maximum of two (2) athletes per weight category.

## **ATHLETE'S ELIGIBILITY**

Please note that all athletes must comply with the following conditions before being accredited to the event:

- IBSA Athletes License for the current year.
- Paid IBSA Membership fee for the current year.
- Valid eye classification.
- Participating athletes must be born in 2007 (15 years in the calendar year) or before.
- The judokas have to wear a judo-gi with their own back number.

## **CLASSIFICATION**

### **Procedure for the classification of an athlete at a competition:**

- Classifications will be 2 days from 10-11 March 2023.
- A fully filled MDF, dated and signed by a certified ophthalmologist, must be uploaded 6 weeks before the first classification day of the event. Only the current MDF will be accepted and MDF for judo can be found on IBSA Website and on the last pages of this outline.

- All athletes to be classified at an event need to be ready for classification at the first hour on the first day and rested especially if the travel has been long distance. Sleepy/tired people cannot cooperate well, and they risk not being classified. Late arrivals will not be considered for the Classification schedules.
- Only athletes competing in this event can be classified.

### **The Regulations for Classification are:**

1. Each IBSA member must have paid their membership for the respective year;
2. Every athlete should be registered on ISAS with a current license for the respective year;
3. The IBSA Medical Diagnosis Form (MDF) must be completed in English, signed and stamped by a registered ophthalmologist in the respective country of the athlete;
4. The MDF and if necessary, additional medical tests should be uploaded on to the ISAS record of the athlete on the database at least 5-6 weeks before the classification date of the competition
5. Athletes who need classification must be available on both (full) days of the classification. During the classification, athletes should attend with their best possible optic correction. Athletes who wear contact lenses are obliged to bring their contact lenses and the characteristics of those contact lenses to classification.

### **TRAINING**

- The training will be held in the official hotel 10-11-12 March
- No training schedule will be required.

### **WEIGH-IN**

- The athlete's official weigh-in will be scheduled the day before the competition.
- The athletes must bring their passport and accreditation to the official weigh-in.
- The random weigh-in should be held at the Sports Hall on the competition day. The athletes must bring their accreditation to the random weigh-in.

## COACHING

- Coaches nominated by their IBSA Member Organization should respect the IBSA and IBSA Judo Rules. Any coaches not adhering to these rules could be subject to disciplinary action.

## AWARDING CEREMONY

- The competitors wearing their white judogi (no accreditation, shoes, flip flops, or socks) will stand behind the podium according to the following order 2,1,3,3.
- Competitors having won a medal have to attend the ceremony to receive their medal in person. If a competitor is absent during the awarding ceremony for no valid reason, they will lose the right to have the medal.
- It is strictly forbidden for competitors on the podium to bring national flags or similar identification other than the one represented in a regular manner on their equipment.
- Any demonstration of a religious, political, personal, or commercial sign is prohibited and so is wearing a cap or any other headcover.

## DOPING CONTROL

- Regulation by the actual IBSA Anti-doping rules, collaboration with IBSA sport & anti-doping committees and the local organizers. Prior coordination is highly recommended beforehand of the event between IBSA, local organizers, and the sample collection agency. Every anti-doping education activity is encouraged within or prior to IBSA competitions.
- As per Doping Control, IBSA Anti-doping rules, WADA Anti-doping Code, and technical documents (including the Technical Document for Specific Analysis per Sport) apply, aiming to implement a compliant anti-doping program within approved IBSA competitions. The draw is carried out by a collaborative effort between the sample collection agency and IBSA delegate, in accordance with the IBSA Anti-doping Rules and the selection policy proposed by IBSA during the competition. Selection for doping controls may also include target tests under IBSA authority.

- Competitors have to report to the Doping Control Station immediately after signing the Notification form. Pursuant to WADA ISTI Art. 5.4.4, prior to doping control, athletes are allowed to take part in the awarding ceremony and fulfill their press commitments or receive medical treatment if needed. The selected competitors will be constantly accompanied by an official chaperone (appointed by the organizing committee) from the time of notification until arriving at the Doping Control Station. A person of the athlete's choice (team doctor, coach, trainer, delegation head, etc.) may accompany them." When applicable, an extra person can be present within the process as a translator. All doping controls at IBSA-approved events are under IBSA as Testing authority and as Results management authority as well, as mentioned on the ADAMS mission order to be issued by the IBSA Anti-doping committee from the ADAMS system and sent to the Sample collection authority (appointed by the local organizers).
