

IBSA JUDO JUDOGI CONTROL RULES APPLICABLE FROM MAY 2023

Dear IBSA Judo Family,

As you all know, until now a tolerance has been applied to the length of the skirt of the jacket in the IJF and IBSA Judo Events.

The following rule will be applied from now:

"The jacket must completely cover the buttocks (plus 5 to 10 cm)"

In the event of non-compliance with this or any other judogi sizes, the organizes will provide a reserve judogi to the athlete.

Reminder:

When the athlete does not have a valid backnumber on the judogi, he or she should use an organization reserve judogi. The coach will be suspended and the athlete will be escort to the tatami by a chaperon.
